Veteran's Day, November 11

On the eleventh hour of the eleventh day of the eleventh month in 1918, the Allied forces and Germany signed an agreement that signaled the end of World War 1. Since then, every November 11, we observe Veteran's Day, originally named Armistice Day, to honor American verterans of all wars.

Please join us on Monday, November 11 at 2:00 in the dining room and we will recognize those who have served in the United States Armed Forces. We thank each and every one of you for your service!

A Veteran's Prayer

Dear Lord, I've served my country, My love for her is strong.I've stood behind "Old Glory"...
When others thought her wrong.
I've joined in celebration and raised a toast in cheer.
I've pledged her my allegiance and sung her anthem dear. I've wept for fallen comrades who proudly fought and died. The freedoms they defended... I cherish deep inside. I'm proud I'm an American. For her strength and peace I pray. There is no greater coundtry...
God Bless the USA!!

Kindness matters. It's a simple phrase, but doesn't it ring so deeply true? Can you remember a time when someone's random act of kindness toward you completely changed your day? You've probably discovered that it doesn't take much - no grand gestures needed. A simple smile, a compliment, or a little help can make all the difference in our days.

November 13 is World Kindness Day, and it seems fitting that in this month when we are so focused on gratitude, we would also remember that kindness matters. After all, our kindness to others often increases when it is a response to our own gratitude. When we find reasons to be grateful, we also discover reasons to be kind. And it matters. May you surprise someone with kindness this month, and in so doing, may you also be blessed.
